raids on settler ranches and
farms

C1866

13th Amendment

Slavery is abolished or made
illegal, in the United States
(Approved by the States after the War)

1866

T X

First major cattle drive
to Kansas opened the era
of long trail drives

1866

The giant ship "Great Eastern" was available to carry the new 2,300 miles long cable. In 1st attempt, they lost 1000 mi of cable.

In 1866 Field ordered 2,400 mi of new cable with improved armoring of galvanized iron & on Fri July 13, 1866, Great Eastern steamed away from the Irish coast & on July 27

the great ship dropped anchor in front
of the telegraph office on the Newfoundland
Coast.

She also managed to retrieve the
1865 cable from the sea floor - $2\frac{1}{2}$ mi
down. And splice it to the new line
— msg: ~~Heart's Content way Newfoundland~~
~~Telegraph Sta~~

Heart's Content, July 27. We arrived here
at 9 o'clock this morning. All well. Thank
God, the cable is laid and in perfect
working order. Cyrus W. Field
